#### 4. Financial loss

- 4.1. Personal Accident: we will pay up to the limit in the policy schedule
- 4.2. **We** will not pay more than the actual financial loss **you** suffered for all benefits, except the Personal Accident benefit.

## 5. Information you give us

The information **you** give **us** will be stored on databases and shared with other parties in the insurance industry in order to gather industry statistics and combat fraudulent claims. **We** can access the information even after **your** policy with **us** ends.

- 5.1. **You** acknowledge that the sharing of information for underwriting and claims purposes is in the public interest, as it will enable insurers to underwrite policies and assess risks fairly and reduce the incidence of fraudulent claims with a view to limiting premiums.
- 5.2. **You** hereby waive any right to privacy with regard to any underwriting and claims information (on **your** behalf and on behalf of anyone **you** represent herein), in respect of any insurance policy or claims made or lodged by **you**, or on **your** behalf.

#### 6. Intention of cover

This policy provides cover for some claims that arise from **your trip**. Not all circumstances and/or claims related to **your trip** are covered. Please read the policy in full to understand the cover.

#### 7. Interest

We do not pay interest unless ordered to do so by a court of law in your home country.

#### 8. Insurable interest

You can only claim for items that belong to you, or expenses paid by you. Having an insurable interest in an item means that any loss or damage to the item will cause a financial loss to you. For example, if you have booked and paid for a non-refundable hotel room, you have an insurable interest in that trip and can purchase travel insurance to protect your investment. If the trip was paid for by your company, the company must buy a travel insurance policy in the company's name to protect their investment.

#### 9. Legal

- 9.1. The policy is a legal contract between **you** and **us**. This policy document provides **you** with the terms, conditions, and exclusions of the insurance cover.
- 9.2. This policy is subject to South African law.

#### 10. Not a medical aid

The intention of cover is to stabilise and repatriate **you**. This policy is not a medical aid and does not provide cover for follow-up/ongoing treatment or treatment in **your home country** after repatriation. For example, if you fall and break your leg while skiing in Italy and it needs further operations and physio therapy once you have returned to **your home country**, this policy does not cover any of the costs incurred in **your home country**. It is therefore important that **you** have access to a medical aid within the borders of **your home country**.

## 11. More than one policy underwritten by us

**We** shall never pay more than the **limit** of whichever policy has the highest **limit** of cover. Example, if one section in terms of this policy covers **baggage** up to 5,000 and the second policy with us covers baggage up to 7,000 the maximum **we** will pay is 7,000.

## 12. Policy documents

- 12.1. The policy wording explains the benefits, conditions, exclusions, and claims requirements.
- 12.2. The policy schedule (which forms part of the policy contract) shows **your** personal details, how much **you** paid, the **excess** amount, the benefits **you** chose, and the sum insured. Each product contains different levels of cover. **You** must check **your** schedule to see if a benefit applies to **you**.
- 12.3. You must read the policy wording, the schedule, and any endorsement as one document. All the headings that you see are merely to help you find information quickly. You must not take them to affect the interpretation of the policy. You must read all the sections in your policy document and ensure that you understand your cover and responsibilities. You must contact us if you have any questions.
- 12.4. Should there be any conflict between the contents of the policy wording and the contents of the schedule, **we** will give the schedule precedence.

## 13. Third party claims

We may finalise the claim by paying you up to the **limit**, or an amount for which the third party claim may be settled. This will release us from any further liability for the claim.

#### 14. Valuable items

**We** limit cover to the single item limit in the schedule for any item exceeding this amount. For this reason, high value items should be specifically insured under the All Risks cover of **your** home contents policy.

## 15. Your policy

**You** may not transfer **your** rights to another person or company. This policy does not give any rights to any person other than **you**. **You** may not transfer your rights to benefits payable under this policy to another person. If **you** try to transfer the rights to any benefits in this policy to another person, **we** will not recognise that contract. **We** will continue our contract with **you** as if **you** had not contracted with someone else.

## 1. 365 Days: Your right to claim will lapse

**Your** claim will no longer be legally enforceable after 365 days of the date of loss, unless **you** have started legal action against **us**.

#### 2. Accumulation limit

If more than one person is injured or dies as a result of a crash or accident involving the same aircraft, cruise ship or any public transportation, **we** will not pay more than the accumulation **limit** in the schedule for all persons insured by **us** (whether on the same policy, or individual policies).

## 3. Currency

**We** will use either **your** bank statement as evidence of **your** financial loss, or the rate of exchange on the date of loss if **you** paid in a foreign currency. The monetary limits are deemed to be South African Rands.

#### 4. Excess

**You** will always pay the first amount of every valid claim, also known as the **excess**. For example, *if there is an excess of 500 on a 20, 000 claim, you will receive a pay out from us of 19, 500. We show the excess in the Schedule.* 

#### 5. How we calculate a claim

We consider a number of aspects in calculating the claim payment amount. These can include:

- 5.1. We may decide to repair, replace or pay in cash
- 5.2. We never pay more than the limit of cover
- 5.3. **We** always deduct the **excess** amount

#### 6. Interest

**We** do not pay any interest, unless ordered by a court of law (or another presiding officer of a dispute such as the Ombudsman for Short Term Insurance) in **your home country**.

#### 7. More than the actual loss

We will never pay out:

- 7.1. more than the value of the property even if **you** are over-insured
- 7.2. twice for the same event, for example claiming under two different sections of this policy

## 8. Supporting documents

**We** do not pay any claim where **you** do not provide **us** with the requested supporting documents, for example: no medical history when **you** are claiming due to an **illness**.

## 9. Third party claim

**We** may finalise the claim by paying **you** the **limit** of liability, or any smaller amount for which the third-party claim may be **set**tled. This will release **us** from any further liability for the claim.

**CLAIMS** 

#### 10. Other insurance

- 10.1. **More than one policy with us**: The maximum **we** will pay is the **limit** of the policy with the highest sum insured. For example: if **you** have a policy with **us** up to R10,000 and another policy up to R5,000 the maximum **we** will pay is R10,000.
- 10.2. **Medi+ cover**: **You** must have a policy (main policy) that provides medical cover before **you** buy **our** Medi+ policy. **You** must claim from the main policy first. **We** will only pay for an **insured event** when the main policy has reached its **limit**.
- 10.3. **A policy with another company**: **We** will split the full amount of the claim between the different policies. **You** must tell **us** if **you** have any other insurance.
- 10.4. **Airline liability**: **You** must claim from the airline first when **your** claim relates to **cancel**led flights, long delays, **missed connections**, loss or damage to **your** personal **baggage** or **baggage** delay. **We** will calculate **our payment** on the difference between the airline's **payment** and **your** financial loss.

## 11. Where do we pay claims

- 11.1. Medical claims authorised by **us**: **We** pay the medical provider in the country of loss direct, up the **limit** in the schedule.
- 11.2. All other claims: **We** reimburse **you** in **your home country** up to the **limit** in the schedule.

## 12. Who do we pay

**We** pay medical claims authorised by **us** before **you** received treatment directly to the service provider (hospital). **We** pay all other claims to **you**, in **your home country**.
